

CAPABILITY STATEMENT

Segment Company Limited

General contractor in Erbil, Kurdistan Region of Iraq, since 2019

We support oil and gas operators, military and government clients across Iraq with construction, procurement and the services that keep remote sites running. Segment Company Limited is registered on SAM.gov to bid for US federal contracts.

COMPANY DATA

Legal name	Segment Company Limited
UEI	ZN3LCCGXRYJ1
CAGE code	SJDP6
SAM.gov	Active, all awards
Established	7 November 2019
Head office	Empire Business Tower T4, Floor 22, Office 4, Erbil 44001, Iraq
Locations	Iraq, Dubai (UAE), United Kingdom

WHY SEGMENT

Local base, wider reach

Erbil head office with procurement reach through Dubai and the United Kingdom.

One contractor for the whole site

Construction, supply, life support, vehicles and maintenance under one contract.

Own fleet and mechanics

A rental fleet of more than 100 units, maintained on site by our own team.

Past performance references are available on request.

CORE COMPETENCIES

General contracting and construction

Heavy structural and light civil works, foundations, life support areas, security infrastructure (T-walls, guard towers, barriers) and renovation of buildings, roads and power infrastructure.

Procurement and supply

Sourcing and delivery of equipment, goods and spare parts, with logistics and transport to site.

Facilities and life support

Camp management, power and water operation and maintenance, housekeeping, laundry, sanitation, pest control and waste collection for remote sites.

Vehicle and equipment rental

Cars, trucks, trailers and construction equipment for short and long-term hire.

Fleet maintenance and repair

On-site maintenance programmes, planned and unplanned repairs, inspections, parts management, tyre and body work.

Oil and gas engineering

Design engineering, EPF packages, pipeline and tank construction, power operation and maintenance.
